# ANA LOGAR

*Senior Product designer, UX/UI Designer*

I have 20 years of experience in graphic design, with the past 6 years focused primarily on UX/UI design and digital product development. Over the years, I have worked on various projects for both domestic and international clients.

My professional knowledge and experience are backed by a strong sense of responsibility, decisiveness, and dedication. I am a creative, conscientious, self-reliant, and proactive individual, always striving to deliver the best results in my work.

## EDUCATION

### MASTER OF GRAPHIC ENGINEERING (MAG. GRAF. INŽ.)

Faculty of Natural Sciences and Engineering, 2010 – 2013

### BACHELOR OF GRAPHIC COMMUNICATION (DIPL. GRAF. KOM.)

Faculty of Natural Sciences and Engineering, 2006 – 2010

### HIGH SCHOOL

Secondary School for Design and Photography, 2001 – 2005

## EXPERIENCE

### SENIOR UX/UI DESIGNER - NOMINAL LTD.

*September 2024 – Present*

Planning and designing new features, as well as developing and enhancing the design system as part of the digital product development process.

### SENIOR UX/UI DESIGNER - MOBIK TELEKOMUNIKACIJE D.O.O.

*September 2024 – Present*

My role was to elevate four digital products to a higher visual and user experience standard. I created a new design, established a design system with all the necessary components, and improved the user experience of both existing and new functionalities.

### CO-FOUNDER - KAMZAVIKEND.SI

*May 2021 – Present*

As a co-founder of Kam za vikend, I play an important role in overseeing various aspects of the platform's operations. My leadership is particularly evident in the overall design of the platform, ensuring a great user experience, and overseeing every platform upgrade.

### SENIOR UX/UI DESIGNER - SCINOTE (ELN)

*November 2023 – May 2024*

I was focused on improving the user experience, elevating the platform's visual design, and establishing a consistent design system. Through prototyping and user interviews, I delivered meaningful improvements that enhanced user interaction and satisfaction.

### UX/UI DESIGNER - CREATIVE37 D.O.O.

*August 2020 – November 2023*

I was responsible for the entire design process, from competitor analysis to ensuring a good user experience and the final look of the web product. I used programs such as Figma, Sketch, Zeplin, and InVision.

### SENIOR GRAPHIC DESIGNER - FORMITAS BBDO

*July 2018 – August 2020*

### GRAPHIC DESIGNER - AGENCIJA 101 D.O.O.

*October 2014 – July 2018*

### GRAPHIC DESIGNER - PRISTOP D.O.O.

*September 2013 – April 2014*
